COMMERCIAL AND MONEY MATTERS For Sales of Stocks see Fourth Page.

WEDNESDAY, P. N

There was a fair amount of business doing in the eding fancies. Harlem improved, but the others were Reading sold at 57, which is a decline about equal to the dividend. Gov't, new Sixes sold at 97],

eading City drawn have sold at 6 per cent. The range

is 51 26; the principal sales being at 51. Freights are rather quiet but steady. Gov't, is in market wanting several ships for transports for troops

and stores. Flour is 5s; Grain 18d; Cotton 5-16d, to Liverpool; Grain 19id to Ireland.

The income of the Norwich and Worcester Rail-

or nearly \$4 per abare.

The above figures include the net earnings of the boats. A large and enthusiastic meeting has been heid at St. Louis to consider the propriety of building a railroad from St. Louis across Illinois to Indianopolis, The project was considered very favorably, and surveys of the route ordered. This route would cut off a large angle formed by the Ohio and Miesissippi rivers. Passengers from the East to St. Louis now go south westerly to the mouth of the Ohio, and then northerly up the Mississippi to St. Louis. When this road is built they will leave the Ohio at Madison for Indianapolis via they will leave the Ohio at Madison for Indianapolis via the railroad of that ilk, and then the new road direct for held at St. Louis to consider the propriety of building a

Louis would thus be rauch shortened. reach now, we understand, \$900,000. Three millions is wanted before operations can be commenced. There is prise, and the subscriptions are coming in freely.

The Committee of Arbitration of the Chamber f Commerce for January consists of Messrs. Jus. Lee.

Treasury Notes of all kinds are taken up by our banks, brokers and importers at par, interest added. They are in demand for Custom-house dues. Bank of England Notes are selling at from \$4 65 to \$4 75 per pound. No change to note in Uncurrent

For location and other particulars inquire at stores 75 and 77 Fulton-st. Oliendorff's Method. By Ignace Steiner. I vol. 12moPrice One Dollar.

Among numerous commendatory notices of this work,
from professors and others, speaking in high terms of the
value and importance, the following are selected on account of their brevity:

From John Louis Tellkampf, L. U. D. Gebhard Professor
of the German Language and Literature in Columbia College, New-York City:

"I have examined the manuscript of Mr. I. Steiner's
German Reader, and do not healthle to say that it is a very
valuable accession to the means of acquiring a knowledge
of the German Language. The work is executed with so
great care, that I intend to introduce it in the Freshman
Class of Columbia College. J. L. TELLKAMPE;"
From Rev. J. F. Schroeder, D.D. Rector of St. Ann's
Hall, St. Chement's place:
